Requesting a Degree Audit

1. Log on to UAConnect and click the **Advisor Center** tile.
2. Click the **View Student Details** link of the desired student from your advisee list. Or, check the box of the student you wish to view in your list of advisees.
3. Click the **Degree Audit (Advisor)** in the left navigation.

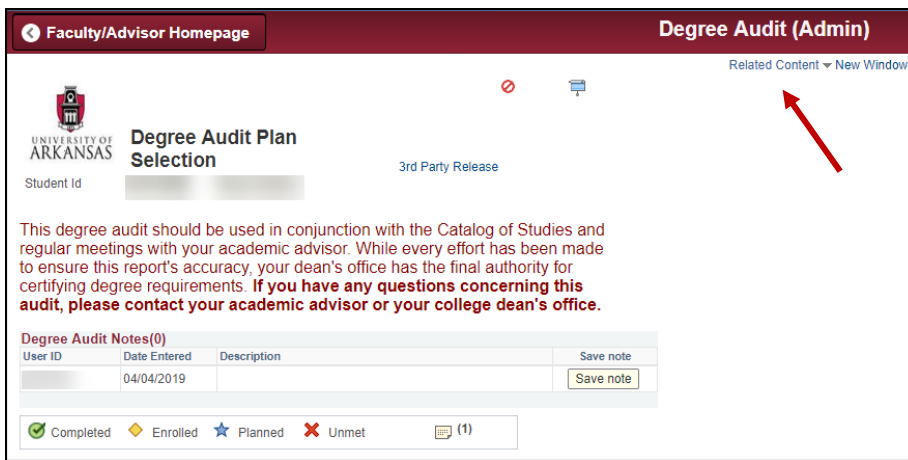

The screenshot shows the 'Degree Audit Plan Selection' page for a student at the University of Arkansas. The left navigation menu includes 'My Advisees', 'Advisee General Info', 'Advisee Transfer Credit', 'Academic Test Summary', 'Advisee Academics', 'Degree Audit (Advisor)', 'Hold Release', 'UA Success', 'Report Student Concern', 'Accessibility Options', and 'UAConnect Help'. The main content area displays the student's information, a '3rd Party Release' link, a warning message, a 'Degree Audit Notes(0)' table, a 'Completed' status bar, 'Include Planned Courses' options, and a 'What If?' section with a 'Major' radio button and a 'College' dropdown menu. Callout boxes provide instructions: 'Click to display Negative Service Indicators.' points to a red circle with a slash icon; 'Click to display FERPA Restrictions.' points to a blue document icon; 'Click to display a list of 3rd parties.' points to the '3rd Party Release' link; and 'Click to view or add Advising Notes' points to a speech bubble icon.

Advising Notes

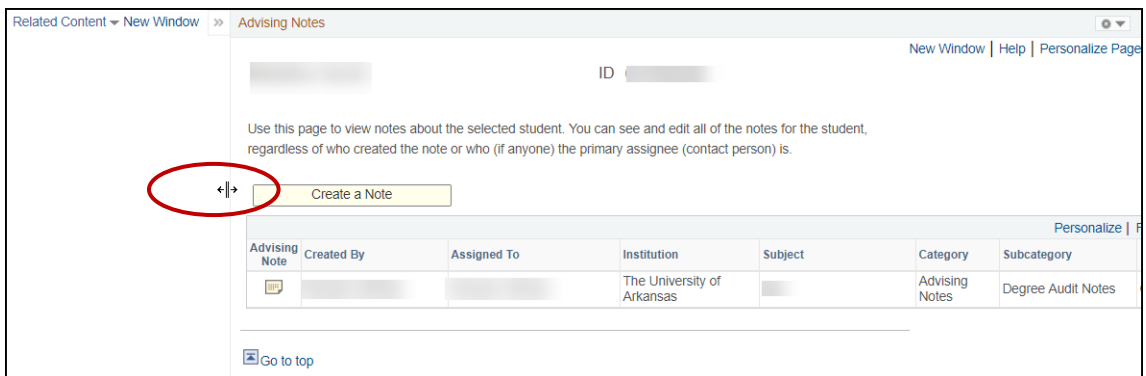

Navigation: NavBar > Navigator > Academic Advisement > UA AA Custom Components > Degree Audits > Degree Audit (Admin)

The advising notes feature enables advisors to record notes about their interactions with students. They can be used to create notes with related comments, attachments and action items. The Advisor can send notifications to students, and a third person, regarding a note, and allow students to view, add comments and attachments to notes.

1. Click the **Related Content** link in the top right.

2. Select **Advising Notes** from the dropdown.
3. Hover over or near the thin line until  appears. Drag the line to the left to enlarge the notes area.

For detailed instructions on creating and viewing *Advising Notes* see Advising Notes - Advisor.

Plan Selection

From the **Degree Audit Plan Selection** page, you can run reports on the student's plans and sub-plans. In addition, you may also view any posted **Advising Notes**.

This degree audit should be used in conjunction with the Catalog of Studies and regular meetings with your academic advisor. While every effort has been made to ensure this report's accuracy, your dean's office has the final authority for certifying degree requirements. **If you have any questions concerning this audit, please contact your academic advisor or your college dean's office.**
