

Viewing Academic Information

The **Parent/Family Authorization** option allows a student to authorize access to view certain student information. This authorization provides access to the designee (parent or another third party) to view financial, academic, and directory information. This document addresses access to **Academic Information**.

1. **Sign in to myConnect**, using **your** username and password, on the **UAConnect (uaconnect.uark.edu)** landing page.
2. Click on the UA Parent Homepage tile.

IMPORTANT:

It is important to note that the access granted to you through the Parent Center is based on your student's consent for you to view specific on-line information and is not equivalent to a third-party release of information covered by the Federal Educational Rights and Privacy Act (FERPA).

Your student must complete a *FERPA 3rd Party Release* form that allows the University to discuss items covered by FERPA with you.
