

Viewing Personal Information

The **Parent/Family Authorization** option allows a student to authorize access to view certain student information. This authorization provides access to the designee (parent or other third party) to view financial, academic and personal information. This document addresses access to **Personal Information**.

1. Sign in to **myConnect**, using **your** username and password, on the **UAConnect** (uaconnect.uark.edu) landing page.
2. Click on the **UA Parent Homepage** tile.

View Contact Details and Addresses

The information found on these pages is considered Directory Information and available to release unless the student directs that the information not be released.

3. Click the **Personal Information** link. Select Contact Details to view.

The screenshot shows the UA Parent Homepage interface. On the left is a navigation menu with the following items: Parent Center, Treasurer's Office, Academic Records, Financial Aid, Personal Information (highlighted with a red box and an upward arrow), Contact Details, Addresses, Accessibility Options, and Help for Parents. The main content area displays a message: "You have been authorized by the following student(s) to view specific pages associated with their account information. To authorize the release of further information, the student must give consent by completing the FERPA (Federal Education Rights and Privacy Act) 3rd Party Release form located under the Profile tile on your student's Homepage." Below this message is a table with columns for Current Student, Name, and Select Student. The table contains one row with the number 1, a checked checkbox, a redacted name, and a "Select Student" button. A red arrow points from a callout box to the "Select Student" button. The callout box contains the text: "If you have more than one student who has authorized you to view their account, select the student from the list."
